Participation means industry can quantify the economic & employment value of marinas

Governments & investors need to know how significant the marina sector is!

Industry testimonials

I encourage all Marina operators, including Clubs to participate in the Marina Value Study.
Stuart N Walton, General Manager, Royal Perth Yacht Club, WA

We need more hard data on the value of the industry and the more marinas involved the better.
Craig Karpin, CEO, d'Albora Marinas

It is imperative as an industry we have access to meaningful, intelligent data.
Richard Hewett, CEO, Sandringham Yacht Club, Victoria

It provides a practical way to demonstrate to government and other groups the importance of our marina industry.
